Explanation of increases in the budget:

Increases include health insurance, wages, workmen's compensation, property insurance, and employee turnover changes. Due to recent law changes, the numbers listed act as maximum and may include numbers that have been inflated slightly to accommodate any changes that might occur during budget discussions.

If applicable, the above notice is also available online at:

www.claytoncountya.gov

The above tax rates do not include county voted levies, mental health and disabilities services levy, debt service levy and the rates of other local jurisdictions.

Regarding proposed maximum dollars, the Board of Supervisors cannot adopt a higher tax asking for these levies following the public hearing.

Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming year.
